Product Description

The grouper fillet brought every week, fresh, from the sea to our warehouses and from our warehouses to the plane that takes us here to Canada. Maximum quality in this fresh product and highly consumed in our restaurants and homes. With a variety of forms for consumption, the Grouper fillet can be prepared, Broiled Grouper Parmesan, in the Mediterranean way with olives and tomatoes or grilled with lemon and herb. There are many ways to prepare this delicacy of the seas. As we characterize ourselves with our quality products, one is what matters most to us and it is our main value and that is why we are the best in the market.
